12) From the figures given above it is clear that the work of the Court has increased very much and cannot be disposed by one Munsiff. There can be no doubt that this is a necessity for the appointment of another Munsiff.

13) On account of this increase in work, Government recently sanctioned 3 additional clerks (one on 20/-, one on 17-8, one on 15/-). The process establishment was also increased by 7 hands. It seems therefore unnecessary to increase the establishment. One of the clerks can be deputed to do duty as the Bench clerk of the additional Court, and it will facilitate references & business if the office is responsible for its own work. There is a precedent for this in the case of the 2nd additional Munsiff's Courts which has been established in Bangalore and Mysore.

14) As observed by the District Munsiff in Court's letter dated 1909, "it would be the best way of keeping both the Munsiffs engaged full time every day, if they can be regarded as Judges of the same Court.... There would be no new establishment or separate registers for the additional Judge."

An additional civil court in Tumkur.

Messrs. Suryanarayana Rao, Tumkur taluk, and Linge Gowda, Chiknayakanhalli taluk.

Summary of discussion.—The civil file in the Tumkur Munsiff's court is very heavy. As the cases remain pending from four to six years, the parties are put to much loss and trouble. An Additional Munsiff's court may therefore be established at Tumkur to enable the speedy disposal of cases.

Reply of Government.—The question of appointing a temporary Munsiff for clearing arrears will be considered.

S i r ,

The District Judge of Bangalore has submitted a statement showing the work of the Munsiff's court at Tumkur for the past 6 years, and represents that the work has become too heavy for a single officer to cope with. I am directed to state that the Judges of this Court are convinced that the arrears of the Tumkur Munsiff's court are so heavy that a single Munsiff cannot be expected to reduce them himself and that it is necessary to open a second court at Tumkur for one year at least.

An establishment consisting of two clerks, one on Rs 25/- and another on Rs 20/-, and the usual menial establishment as shown in the margin would be sufficient for the new court. It is proposed to locate

locate the new court in the Musafar Khana (the old travellers' bungalow) at Tumkur where it is said no travellers halt, if that building can be repaired and placed at the disposal of the Judicial Department; or in the alternative that a building be taken at a monthly rent of Rs 20/-. The other requirements of the new court are a provision of Rs 60/- for contingencies with an imprest of Rs 10/- and a sum of Rs 200/- for furniture.

3 As it is not possible to meet the extra cost involved in this proposal from the sanctioned budget grants for the current official year, a special grant may be sanctioned for the purpose.

I am to request that Government may be pleased to accord sanction to the above proposals at an early date so that the new court may start work during January 1915.
